Informational Reports

No Update

Old Business

Literature On-Line Store. Kathy gave a brief synopsis of the current activity for the On-Line Store. A mockup of the website was shown to Andrew and Frank. Frank likes the website. Frank and Susan will provide pictures of the literature for the new website. Andrew said that navigating the new website gets easier every time he uses the website.

Phone message coordinator. J has been clearing out the old messages that accumulated. Kathy said someone was interested. Kathy will send J's contact information to the interested person. Andrew thinks that J will continue clearing messages for the time being.

New Business

Founder's Day. Kathy informed the group that Karen S can no longer be in charge of Founder's Day. Karen is willing to help organize Founder's Day. The group suggested that AIS might want to move Founder's Day back to July. We might be able to get someone to run Founder's Day if we move it to July.

Renaissance Finance. Sue received a donation of \$1,500 from Renaissance Finance. Sue sent a nice letter to Renaissance Finance thanking them for the donation; however, AIS can not accept the check. Sue's letter was better than this synopsis.

Kathy closed the meeting around 6:30 p.m. with the Al-Anon Declaration.
