Have you ever been to an Al-Anon convention? How much fun did you have? How many Al-Anons did you meet who became long lasting friends? Did it help further your recovery?

MIRACLES HAPPEN is our theme for this year's convention, and we trust it will be true for each and every member who attends. Although the prices to attend this year seem high, we believe that the fellowship and FUN of attending the Al-Anon Convention is worth the price.

One thing to note: Our Convention committee has contracted to guarantee \$15,000 in hotel-provided meals. We understand that the prices are increased from last year's convention, but this is what is happening in today's world. If we don't meet the minimum the Area must cover the shortfall.

We are not allowed to bring any food or drink into the hotel. Only hotel provided snacks will be available in Hospitality.

We hope you understand, and we look forward to seeing many old and new friends in Prescott at this year's convention!
